

Are You Ready To Scan All Bar Codes?

Digi-Trax Has You Covered With A Complete Line of 1-D & 2-D Imaging Scanners!

Perfect for Pharmacy Applications!

Honeywell 4600G

The 4600g reads linear, stacked linear and 2D bar codes, plus captures digital images! Solid-state technology and light-industrial construction ensures dependable use, while an ergonomic design and omni-directional barcode reading capability provides comfortable and intuitive use. Supports Unified POS standard and Windows® Embedded for Point of Service. Disinfectant-Ready Housing: Optimal for environments where scanner must be cleaned frequently with harsh chemicals.

MOTOROLA PartnerSelect Premier Solution Partner

DS3408

Quickly and accurately capture 1D and 2D bar codes, images, and direct part marks. Features omni-directional scanning and a rugged design sealed to IP65 standards, ensuring reliability in harsh environments. Multiple interface support. Imaging resolution is 640x480 and withstands repeated 6.5 foot drops to concrete.

MOTOROLA LS2208

The affordable LS2208 handheld bar code scanner provides fast, reliable scanning in an ergonomic, lightweight form. The wide working range —from near-contact to 17 inches — makes this device ideal for hospital and healthcare settings. Multiple on-board interfaces ensure integration with a variety of host systems. The scratch-resistant tempered glass exit window is designed for continuous use. The long cable lets you place the scanner wherever you need it, while the included IntelliStand holds it at the best angle for hands-free scanning.

MOTOROLA LS4208

Supports 1D, PDF, PDF417, microPDF and composite symbologies. Multi-line rastering scan pattern improves productivity by reducing the need to rescan bar codes or key in data. Durable construction and patented, single circuit-board design withstands multiple drops to concrete, minimizing downtime due to accidental drops. Remote Scanner Management (RSM) Reduces total cost of ownership by enabling remote, network-based device management. GS1 DataBar bar code support: Supports the latest symbologies to future-proof your investment.
