

# Print On-Demand Color **Rx** Labels With Epson® & Digi-Trax®

Color-coding has been an essential element for improving patient safety. Now Digi-Trax and Epson have partnered to bring SecurColor™, the reliable, quick, easy to use and cost effective solution to produce durable on-demand color labeling.

Rx Unit Dose Labeling

Syringe Labeling

We have the solution with our new EPSON® SecureColor™ printer. Digi-Trax is a Value Added Reseller with a primary focus to provide innovative solutions to the healthcare community. We are a complete resource for hardware, software, supplies, validation and service for **Rx** and more.

Easy, front loading of media

We are proud to be an authorized dealer and supplier of Epson products and are excited to announce the new SecureColor™ printer

A single ink cartridge can print thousands of labels!

## The EPSON SecureColor™ Printer

Wristbanding & Patient ID with SafeAlert™
