

Fast, Easy, Economical Wristband Printing

If you're in healthcare today, you need a reliable bar code wristband printing solution to help you achieve positive patient identification and meet patient safety and privacy requirements. Zebra's H 2824-Z Healthcare Starter Kit is an ultra-compact, high-productivity solution that will ensure patient safety, security, and privacy.

Zebra® H 2824-Z™ Healthcare Starter Kit

Ideal for Wristband Printing

Easy to load, operate—and afford!—the economical H 2824-Z printer is ideal for printing patient identification wristbands on demand. It quickly and clearly prints bar codes, text, and graphics on a variety of wristband types and sizes, including narrow pediatric widths. The H 2824-Z printer can also print labels for charts, files, X-rays, prescriptions, specimens, and other healthcare needs. Plus, it's small enough to fit where you need it—be it on a cart, countertop, or desktop.

Get Started Stat!

Zebra's H 2824-Z Healthcare Starter Kit includes everything you need to start printing wristbands today: the H 2824-Z direct thermal printer, a pre-installed Media Adapter Guide, and a roll of adult-size wristbands.

Simple, Productive Wristband Printing

- Generate crisp, clear bar codes that scan reliably and accurately
- Increase productivity thanks to easy-to-load, simple-to-operate design and 4-inches-per-second print speed
- Enjoy easy integration with choice of serial/USB, parallel, or Ethernet connectivity
- Neatly fit printer into busy work areas—compact footprint is less than 4" x 8"

Improve Your Patient ID Processes

This direct thermal printer produces sharp, clean wristbands, leaving your laser printers free to print what they print best—paper documents. Print wristbands with Zebra's H 2824-Z to improve patient safety and privacy while enhancing efficiency where you work.

The H 2824-Z Healthcare Starter Kit is only available through Zebra PartnersFirst® Healthcare Partners in the United States and Canada.
