CERTIFICATE OF COMPLIANCE

We hereby certify that our products (see list below) were manufactured in accordance with our current specifications of materials and production processes and have been inspected to comply with all quality assurance criteria. All temperature monitoring was performed with temperature logger ALMEMO, model 2590 (serial number H09100824), verified by A.COM calibration laboratory certified ISO/IEC Standard 17025:2005 and NIST traceable (see appendix A).

Product Code	Description	Batch Number	Expiry Date
