Custom Labels

Waste portion

Product # SC-4X1-FLAG
4" x 1" Synthetic Special Die Cut Label with perfs. 1250 labels/roll. The label has a centered face perf on the right side (½ of label on each side of the perf) in order to fold the label over onto itself, creating a "flag" and 0.375" portion to adhere to a syringe.

SC-4x1-FLAG sample used on a syringe

Product # SC-35X75-FOLD
3.5" x 0.75" Synthetic Special Die Cut Label with perfs, 1650 labels/roll. Features a vertical face perf ¾" from the right edge and a vertical slit on the liner .9375" from the right edge of the liner. Simply tear the the face perf and apply the larger portion of the label to a prescription vial and the smaller portion to the patient's chart.
