

# HemaTrax®-CT for Cellular Therapy

## Your complete system for ISBT 128 compliance labeling

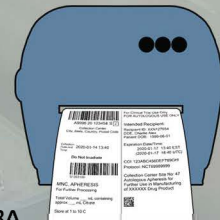

**HemaTrax®-CT System**

**HemaTrax®-CT software**

**FDA & ICCBBA  
compliant labels**

**Desktop printer**

### HemaTrax®-CT System

HemaTrax®-CT is a complete, on-demand, labeling solution for generating ISBT 128 compliant labels. The system includes our industry-leading labeling software, a powerful desktop printer, FDA and ICCBBA compliant labels. Our unique ISBT 128 compliant software has gained worldwide acceptance. It is used every day in hundreds of cellular therapy labs and hospitals.

### New Label Format— HemaTrax®-CT-MFG

In following with the latest ISBT 128 standards published by ICCBBA in 2020, our software now includes an apheresis collection product label format created for cellular therapy clinical trials and manufacturing.

This label format is designed specifically for clinical trial sponsors, manufacturers, staff at clinical trial facilities, apheresis collection centers and hospitals that conduct clinical trials or receive manufactured products.

If you purchase a new HemaTrax®-CT system, this format is included. If you have an existing HemaTrax®-CT system, you can purchase HemaTrax-CT-MFG as a software upgrade separately. Just contact our customer service team at 800-356-6126 or at [info@digitrax.com](mailto:info@digitrax.com).

### HemaTrax®-CT Hardware

The HemaTrax®-CT system includes a small desktop printer for a reliable printing operation that doesn't take up much space. It's easy to install and print cellular therapy labels. Our certified technical and customer support team are ready to help you.

### HemaTrax®-CT Software

The software enables you to save your cellular therapy label formats so that you can print multiple labels with the same information. No need to rewrite anything! Plus, Digi-Trax® is quite involved with the relevant committees and consistently updates its software on a regular basis.

### Lifecycle Software Support (LSS)

Keep up-to-date with upgrades and improvements by enrolling in our yearly annual maintenance program. Ensure your facility is ISBT 128 compliant and that you are using the latest software version.

### Digi-Trax® Labels and Ribbons

Our durable, synthetic, thermal transfer labels are designed to perform under harsh conditions— including water baths, solvent exposure and abrasion. Our labels also meet FDA CFR 21, Section 175.105 requirements.

# Digi-Trax® ISBT 128 Cellular Therapy labels & ribbons

Below are samples of printed labels; additional formats available

**Product # CT-44-CG-KT** (desktop printer)  
Cellular Therapy Full Collection Label 4" x 4"  
500 labels per roll, 4 rolls per case, 2000 labels total  
Includes 4 rolls of RR-CT-G4 ribbon (4.33" x 243')

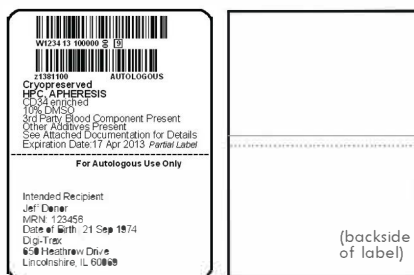

**Product # CT-44-CZ-KT** (tabletop printer)  
Cellular Therapy Base Label 4" x 4"  
950 labels per roll, 4 rolls per case, 3800 labels total  
Includes 4 rolls of RR-110-6075 ribbon (4.33" x 243')

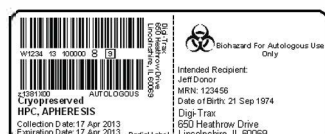

**Product # CT-22-CG-KT**  
Cellular Therapy Base Label 2" x 2"  
1200 labels per roll, 2 rolls per case, 2400 labels total  
Includes 2 rolls of RR-CT-G2 ribbon (2 1/2" x 243')

**Product # CT-32-CG-KT**  
Cellular Therapy Base Label 3" x 2"  
975 labels per roll, 4 rolls per case, 3900 labels total  
Includes 4 rolls of RR-CT-G4 ribbon (4.33" x 243')

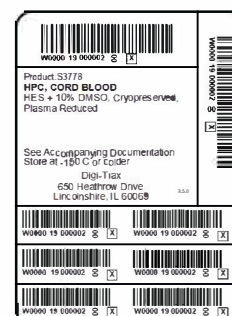

**Product # CT-32-FOLD-CG-KT**  
Cellular Therapy Base Label 3" x 2" with Perforation  
975 labels per roll, 4 rolls per case, 3900 labels total  
Includes 4 rolls of RR-CT-G4 ribbon (4.33" x 243')

**Product # CT-375X15-FOLD-CG-KT**  
3 3/4" x 1 1/2" with Face Perf  
Cellular Therapy label with face perforation,  
allows for folding and splitting of labels.  
1000 per roll, 6 rolls per case, 6000 labels total  
Includes 4 rolls of RR-CT-G4 ribbon (4.33" x 243')

**Product # CT-15X75-CG**  
Cryo Vial Label 1 1/2" x 3/4"  
2400 per roll, 1 roll per case, 2400 labels total  
Includes 2 rolls of RR-CT-G2 ribbon (2 1/2" x 243')

**Product # CRYO-CBA-CG-KT**  
Cord Blood Segment Label 2.5" x 3.125"  
750 labels per roll, 2 rolls per case,  
1500 labels total  
Includes 2 rolls of RR-CT-G2 ribbon (2.5" x 243')
