

Why settle for 'good enough' when you can have it all?

Introducing the ideal consumer tablet replacement: the ET40 and ET45 Rugged Enterprise Tablets. The modern look you want. A price you can afford. And all the features your workers need to do business right.

Rugged and ready for all day business

It's built to last for years, surviving drops, subzero temperatures and even hose downs.

Choose your screen size — 8 in. or 10 in.

See more. Do more. Scroll less. Rugged Gorilla Glass. Easy to see inside and outdoors.

The fastest wireless networks — 5G and Wi-Fi 6

Enable workers to get more done with the fastest and most reliable wireless connections.

Multi-shift battery power

Always in service with removable batteries and an optional hot-swappable secondary battery.

Take payment anywhere

Create a mobile POS for anywhere payment or an on-demand hybrid POS in your store.

World-class scanning

Any barcode, in any condition, all in a split second.

Photographic documentation of just about anything

13 MP camera with controllable flash for proof of delivery, merchandising audits and more.

Accessorize for success

Tailor your tablets for every job with a complete accessory family.

Count on availability and support

More staff? No problem. It's available for sale for 3 years — with 6 years of available support.

Turn it into a walkie-talkie or PBX handset

Add powerful proven ready-to-use voice solutions to get more value out of your tablets.

Built-in advantage with Zebra Mobility DNA™ Professional

Powerful pre-installed no-cost tools make these tablets easier to secure, deploy, manage and troubleshoot.
