IIIIIIDIGI-TRAX PrePrint

Just what you need... when you need it

Pre-printed ISBT 128 label program

All Digi-Trax® labels are manufactured from durable synthetic label materials that withstand: waterbath, freezing, bleach disinfecting, most solvents and repeated abrasion. Additionally, our adhesives meet FDA CFR 21, Sec. 175.105.

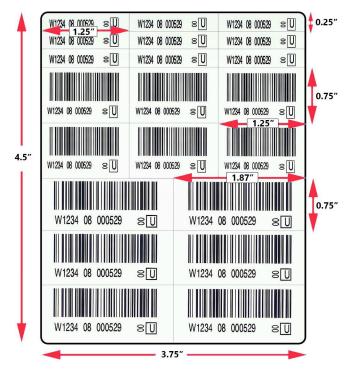

Although all Digi-Trax ISBT 128 labels are developed to comply with U.S. Industry Consensus Standard, your FDA regulated facility is responsible for submitting your labels to the FDA for approval.

- Order any ISBT 128 label you need: Piggyback or single-ply labels
- \$75 minimum order
- Combine labels to meet \$75 minimum
- Pay by credit card or purchase order (Net 30 Terms)
- No extra fees for plates, dies or setup for our standard formats

- FOB: our factory via UPS ground (Freight prepaid and added to invoice) or on your carrier account
- Standard imaging is printed at 300dpi; 600dpi is available if required
- Custom DIN configurations are available; contact us at info@digi-trax.com for more information
